

Na Ka Pueo

Na ka Pueo-Kahi ke aloha, ea
Ne'ene'e 'au kai o Maui.

Kowelo ko hae Hawai'i, ea
Ma ka 'ilikai a'o Mamala.

Malama 'ia iho ke aloha, ea
I kuleana na'u e hiki aku ai.

Ha'ina 'ia mai ka puana, ea
Na ka Pueo-Kahi ke aloha.

From the Pueo

Love from the Pueo-Kahi, tra la
Wriggling across the sea to Maui.

The Hawaiian flag billows
on the wind, tra la
Over the sea at Mamala.

Protect the love, tra la
I have the right to come for it.

Tell the refrain, tra la
Love from the Pueo-Kahi.

There's No Place Like Hawaii

© 1960 Lyrics & Music: Eddie Brandt

You can travel here and there
You can travel everywhere
But there's no place
Like Hawaii

It has ev'ry thing and more
Than you've ever seen before
Oh there's no place
Like Hawaii

There's a saying old but very true
When you leave
Hawaii goes with you

Oh what beauty you will see
And what hospitality
Oh, there's no place
Like Hawaii

It's like heaven just to be
On the beach at Waikiki
Oh there's no place
Like Hawaii

Girls with flowers in their hair
And the muumuus that they wear
Oh there's no place
Like Hawaii

Oh, you can't tell December from June
What a spot to spend a honeymoon

It's the dream of ev'ryone
Ev'ryone beneath the sun
Oh there's no place
Like Hawaii
